EXTREME Razzle VOL. 84

We've seen all sorts of things in Razzle over the years, but it's not often we come across a stylized elephant tattoo. What's the story there, Ava? "Oh, I don't know. I've always liked elephants since I was a kid - they seem to be such a strong community, the way they all stick together and look after their young. When I decided to get my first tattoo an elephant just felt like the perfect choice!" Well fair enough – we're sure elephants are just lovely, and of course we all know they never forget – and I'm not sure I'll ever forget the sight of Ava in her skimpy undies!

ANAL VIRGIN BROKEN!!!

I'll admit that knobbing my best mate's girlfriend was probably the lowest thing I've done in my life, and writing in to you blokes about it probably makes it even worse, but keeping it to myself is half-killing me!

I turned up at their flat, forgetting my mate had gone away for the weekend. Julia, his other half, was there, though, and offered me a quick beer. I ended up staying to watch a video and share a pizza when things started getting a bit suggestive.

At one point she asked me about anal sex and if I'd ever done it – because, she said, my mate really hated the idea. I told her how one girl had really loved it and Ju seemed to be turned on by the idea. I could tell she was desperate to give it a go. I finished my drink and asked her was there any chance he might come back that night. "No way," she said, so I told her to make sure the door was locked.

She came back grinning, snogged me and laid back, pulling me on top of her. I already had a raging boner.

Good thing too, as I'd need to be hard to get inside her tight virgin arse.

We had a straight shag first – if you're going to mess around like that may as well make the most of it – and Ju had shaved her lush little pussy earlier in the day, which just made fucking it even more of a thrill.

When it was finally time for me to have a go at her bum, I spent ages over playing with it, getting her relaxed. She didn't have any lube and so I scooped the spunky juices out of her cunt and smeared it all over my prick and her arsehole.

I took things slow and gentle so I didn't actually have any trouble getting inside her. I had her tense herself against the head of my prick, then relax so I suddenly slipped in. She gasped as I went through her ring, then moaned as I moved deeper inside her. I just stayed

> **"I scooped the spunky juices out of her pulsing cunt"**

deep, not thrusting so she'd get used to the feel of my big prick filling her arse. I've never had such a tight fuck in my life.

I pulled her back so I was kneeling and she was on my lap, sitting back on my prick.

Then I started playing with her clit. Instantly, she started moaning as I caressed her nub. She came so hard I had to hold her steady, the juices pouring out of her unplugged pussy to soak my balls.

I'd have happily pulled out then and there, even if it had meant finishing myself off with a wank, but Ju said she wanted the whole experience, she wanted to feel a warm, thick load of spunk shoot up inside her arse. I got her on all fours again and started thrusting, holding her by the hips. When I came it lasted ages longer than normal, jet after jet of spunk flooding out into her tight hole. When I pulled out, the sight of her arse slightly opened from the size of me and dripping my cream down over her slit almost got me cumming all over again.

It was a mind-blowing night all right!

Dean, Essex.

TOG ROAST

For a birthday present, I'd arranged for a photographer to take some sexy photos of my wife Danni in his studio.

I didn't know how she would react to a complete stranger seeing her acting seductively! We'd arranged to meet but I was held up so Danni arrived on her own.

She walked in nervously, but the photographer Steve made her feel very at ease.

He was a goodlooking black guy. By the time I arrived he had Danni posing almost naked.

I was aroused by watching her perform in front of a total stranger. Steve asked Danni if she'd do some naked shots. She looked at me and must have guessed I was enjoying the show. She just turned away, bent over and peeled off her G-string.

I couldn't believe my eyes and my cock was rock-hard. She lay back on the bed and started playing with her wet pussy. She told me to pass her handbag and pulled out her black vibrator.

She started sucking it and I could wait for the horny bitch no longer. I went over to the bed and started to fuck her.

I was so turned on by her sluttish behaviour in front of Steve.

She was loving it, moving from one position to another while I fucked her like a madman. All the time Steve was clicking away on his camera.

Suddenly she stopped, looked me in the eye and asked if Steve could join in. I was so turned on I just agreed.

She couldn't wait to have his cock in her mouth.

She licked it up and down, just stopping to suck his balls one at a time. Watching her suck cock was too much, and I pumped spunk up her pussy. When she felt me cum Danni begged Steve to cum down her throat. He erupted, flooding her mouth with cream.

She was back sucking our cocks within minutes. We went on to fuck her together in every way possible.

Barry, Shropshire.

THE REAL EX APPEAL!!!

"He stood over us wanking as his gorgeous ex frigged my pussy"

I didn't realise I fancied other women until I started reading girlie mags in bed with my boyfriend, Luke, and watching porn videos.

Soon I wanted to experiment with this side of myself and as I wanted my bloke involved in any scenes, I let him contact Katy, a girl he'd dated who was bisexual.

She was small and gorgeous, with long black hair and big green eyes.

We were both a bit on edge at first, but a couple of drinks soon sorted that out.

Luke poured us one more refill and suggested we should take them up to the bedroom.

At first we just lay side by side then, as I turned to put my glass on the bedside table, I felt Katy rake her long nails gently down my spine. I rolled over and we wrapped ourselves around each other, kissing deeply.

Katy seemed to just slip into it, sucking on my tits and sliding a hand between my thighs to feel up my twat.

Katy seemed to know what I liked through instinct. I was squirming, humping hard against her hand as she got three fingers up my twat, and hardly noticing when Luke came in a few minutes later.

He'd already stripped off and

he stood over us, wanking as his gorgeous ex frigged me.

Katy was sucking hard on my tits now – guaranteed to send me off into space – and I kept thinking about them fucking, how she seemed the sort of girl who wouldn't leave his cock alone until she'd cum again and again.

He was still gagging to fuck her – that was obvious so I told them to go for it, and got my vibrator out of a bedside drawer so I could frig myself as I watched them.

Katy lay back and spread her legs – her twat was a much deeper pink than the rest of her pale skin and framed by her trimmed black pubes.

Luke started rubbing her with the pads of two fingers – just the way I like it myself.

I got right in close so I could watch him put it in the first time – the second he touched his cock to her hole it seemed to flow with juices. Then he was balls-deep in her and started thrusting away.

As his prick pounded her twat, mine was aching like I was getting fucked too. I got going with my vibrator, switching it on and grinding it hard against my clit as well as pumping it in and out of my hole.

I was the first to cum – when I've done it once I orgasm even easier the next time. Luke was next and Katy hooked her legs behind his back so he'd lose his load inside her cunt.

She hadn't cum yet, so I took over as Luke knelt up, sweating, his cock still hard and coated with her juices. I was dying to suck it but he was still too sensitive, so I played with Katy instead.

I touched the tip of my vibro to her clit and clamped my mouth over her hole, jabbing my tongue inside her as a mix of her juices and my boyfriend's creamy spunk trickled down my throat.

Most women probably couldn't cope with watching their bloke shag his gorgeous ex – but as I fancy the arse off Katy how I can I be pissed off with Luke for feeling the same way?

Makie, Dorc

GAY FOR PLAY

I met an old school friend while out shopping and we agreed to go out for a drink that night.

We went to a few pubs and caught up with each other. We were in quite high spirits and the drinks were going down well. Then she suggested we go to a pub she knew, and I agreed.

After a while I noticed everyone else was part of a couple, what's more of the same sex. Realising I was in a gay bar, I looked inquisitively at my friend.

She reached over and put her hand on my knee and admitted she'd had a thing for me since school. I wasn't sure whether it was the drink or hidden lesbian tendencies, but I felt strangely excited.

She got up and signaled I should follow her to the toilets. They were empty when we got there and as soon as the door was closed she was kissing me and squeezing my breasts.

I hesitated at first but then felt really turned on so I kissed her back. She led me into a cubicle and once inside she squatted over the toilet and forced my head between her legs.

I had tasted my own juices on my boyfriend's cock, but this was the first time I'd tasted fresh pussy-juice. I started to lick her cunt like a cat licking a saucer of milk.

She was soon moaning and writhing all over the place, which got me horny as hell and gave me a feeling of power. I sucked her clit desperately and she was soon cumming hard.

Then she ordered me to sit where she'd been, which I gladly did. As I got my pussy licked by a woman for the first time I was cumming in seconds.

Now I'm keen to meet other people for sexy fun times! Male or female unimportant!

Jen, Derby.

You can't see it in these pictures but boy can Chloe take a fat dildo up her pussy like an experienced pro! "I'm awful, I'm never satisfied with the size of a guy's cock, I always want something bigger to stretch my pussy to it's absolute limit. I'm quite honest and will tell a guy that his cock is too small to make me cum. At first their heads drop but I put a smile back on their face when I let them choose which one of my huge dildos they want to fuck me with!"

Kai McKenzie doesn't get to see her boyfriend that often as he's always working abroad, so she has to get a bit creative. "We do lots of Facetiming," Kai tells us. TRUE CON

HOME MADE PORN STAR

When I was in my second year at uni, I answered an ad from a guy called Kevin, asking for a “liberated, adventurous girl” to help out with a business venture.

I guessed rightly that it was something involving sex.

Kevin was doing some technical course, including film work, and had decided he was going to shoot some porn to sell and split any profits. I reckoned maybe he was a bit too cocky for his own good – in the arrogant sense!

But I thought who cared, a bit of nostrings fucking might be a laugh, and if we got some dosh out of it, then brilliant.

He was pretty serious about it all – so much so I found it a bit funny, to be honest! He’d roped in another mate to film it, and set up loads of borrowed equipment from the uni. I insisted on getting a DVD of all the film shot, and I soon realized how seriously horny I looked when I was on the job. I’d overacted a bit at first, but once I got into it naturally, I just looked like I was a bloody good shag!

Kevin was good too. He was a nice-looking bloke with a decent-sized cock on him, and he seemed to have a permanent hard-on. He wasn’t quite at the stage where he could cum on cue, but in one scene, where it took a bit longer than he expected, he just hammered into me fast until he shot his load.

It all looked pretty raw and dirty. I still had my knickers on – he’d just pulled them sideways – and now he had me on all fours, one hand hanging onto the back of them as he slammed his prick in and out of my hole, his crotch and stomach slapping really hard up against my arse cheeks. He sort of forgot himself – I got a couple of spunk-jets up me before he pulled out and creamed on my cheeks. His mate just made the most of it once he’d pulled out, focusing on the cum oozing out of my pussy as Kevin frigged my swollen clit.

“HE PULLED OUT AND CREAMED ON MY CHEEKS WHILE I FRIGGED MY CLIT”

The good news was he sold the film pretty easily, and they liked it and asked if we had any more. Kevin decided we

FESSIONS

should go out to the countryside for couple of days, just me and him, and we'd shoot more footage. It didn't feel like work, just a dirty weekend.

He borrowed this cottage from a mate's parents – I reckon they couldn't have known what for! Then we just went a bit mad, filming ourselves shagging away in every room. I've always found that "Gonzo" handheld-camera style of porn a lot more sexy than the set-up stuff anyway.

But I've got to say my favourite scenes were when we went outside. The fresh air and maybe the chance of being caught had me creaming my knickers from the moment we first stepped out of the door. We started off with a blow job, me on my knees naked but for my hiking boots, rubbing Kevin's cock all over my tits and face. As I watched it back, he looked so swollen, all pinkish-purple and shiny, it could have exploded all over me any second. Then he asked was I up for shooting an anal scene.

I said yes without thinking too hard about it. He had me bent over this low wall – very picturesque! – and slammed his cock in and out of my pussy, getting it wet.

Then he rubbed my juices, mixed with a bit of lube, all over my arsehole. He fingered it then teased it with his prick, and had me push back hard against him so he just sank in when I relaxed again.

You can hear me letting out this little yelp as he penetrates me – I didn't think I'd take his entire shaft straight off – then he gradually fucks me harder – doing all the tricks like pulling right out then slipping back in again before just humping me to a climax.

He'd liked the spunk running out shot from the first time, so I took every drop of his load deep up my arsehole. Then he just focused on it dripping out of my hole, frigging me with his free hand until I came, pumping more out of me.

Then, when he was hard himself, he blasted two more balls' worth of spunk over my arse and down my crack. I saw an edit of the horniest bits, and I couldn't keep my fingers out of my snatch as I watched it. I could hardly believe I was doing those things!

What Kevin didn't know till afterwards was that was the first time I'd ever taken a cock up my arse. He said that was brilliant – we could use it to sell the film, if the buyer believed us. I'd taken it so easy, he wasn't sure they would.

Kevin graduated at the end of that year and we didn't stay in touch.

I think he reckoned he was out of my league in the "real world", that he was fucking me for business not pleasure, but I'd be surprised if he didn't secretly want more. Kev, if you're reading this, I'm up for it, whether it's for fun or filming.

Whatever, I still watch my first-time anal DVD at least once a week!

What's better than tits n' arse? Two sets of tits n' arse!!! "I love the feeling of a big fat cock pumping up inside me and the sound of balls slapping against my arse," Catalina tells us. "But there's something a bit special about the feeling of another woman's tongue flicking your clit and rimming your arse hole!" Well, there was certainly plenty of that going on when she met up with her mate April!

DIRT BAG

Our real readers' letters sack!

All our letters are genuine, sent in by you, and you're welcome to send in pictures, too! We pay £25 per pic and £20 for every letter published.

NAUGHTY WINKS

I work at an all-night garage and sometimes I do the graveyard shift, which is okay, though it can get bloody boring. When I don't have any customers for ages, I find my mind starts to wander, usually to sex. Sometimes, I'll even sneak my hand inside my knickers and give myself a quick frig!

The other day, just after the person taking over from me turned up, Sean, a neighbour of mine, pulled in to get some petrol and a pint of milk.

"Mind if I bum a lift home?" I asked.

"Sure," he replied with a grin. While we were driving along, he said he always had to watch a couple of hours of telly before he could get to sleep.

"There's quicker ways to wind down," I said.

When we got to our street he asked me in for a cuppa.

"Maybe that'll help you wind down," he smirked.

We sat in front of the TV to drink it, and I couldn't help but think how sexy he looked.

"Do you want to see how I wind down?" I said. He just gazed at me as I undid my skirt and let it drop to the floor, and then stuck my hand down the front of my knickers and started frigging away at my clit.

"Okay," said Sean. "Now that you've showed me, I'll give it a go." Then he grabbed my hand and pulled it free of my twat, before putting his own hand in my knickers.

I unzipped his flies before giving his cock a good pumping with my hand.

As pre-cum began to seep out of the end, I nuzzled my way down and kissed the end of it, licking the salty drops off my lips before taking him right into my mouth.

Sean just laid back and enjoyed it for a couple of minutes, then went back to fingering my pussy again. But just as I was really getting into it, he pulled his fingers back out and eased two of them, sopping with my juices, up my arse.

He took it slowly and gently, making sure my ass was well lubed up with my own juices as I sucked on his prick. Soon he was fucking me with his fingers, but I wanted more. His cock felt so big, hard and juicy in mouth, I couldn't wait to take it up my bum.

He laid me on my back on the settee, with my legs shoved up and back. "I want to see your face while I'm fucking your arsehole," he said.

Then he slowly edged his cock up my arse. He just stirred it around at first, getting me used to the size of it stretching my hole.

Then he started screwing me as hard and deep as he'd have fucked my pussy. I don't know if he kept watching my face – I just shut my eyes and thought about what I was feeling. And what I finally felt was a hot, orgasmic spurt as his jizz shot out deep inside my bum.

Beats sleeping!

We love Penny Lee at Paul Raymond, but what a tease she is not getting her tits out! Fear not though, she's got her delicious pussy out and there's not a red-blooded male out there who wouldn't want to bend her over and take a pick of which hole you'd like to slide your dick into!

LOOKING
THIS

So, what's Carla been up to since she was in the magazine back in 2016! "I got myself one of those cling-on boyfriends who wouldn't let me share my body with anyone else, so after my first shoot I didn't do another one. Well, I've got rid of him and now I'm ready to share my body with everyone in the UK and any other countries you sell Razzle in!" Thank God for that, we've all missed you. We're pleased to say that we can share your pictures around the world on our website, even the ones where you're sticking that blue dildo up your crack!

Stepmon Swap

When your parents split and re-marry, that's when things can get complicated, as extended families are always a minefield. But it appears this lot have more than their fair share when it comes to sex and intrigue. We are thrown into scene one with stepmom Parker Swayze and stepson Van Wylde, who indulge in some 69ing possibly in order to get to know each other better. Which, Wylde defiantly does after pounding Parker in some sofa end action and spunking over her face. Now, that's just the start, as scene two commences with a blow-job tutorial from the MILF who has it all, Julia Ann in an exhilarating three-way, that sees Aria Alexander enjoy some lady loving. But it appears there all at it as Aria's mum enjoys a ball bubbling shower fuck with the boyfriend who can't satisfy her daughter, as he fills her good and proper. Juggling skills aside this is one hell of a circus that you should join for the ride,
